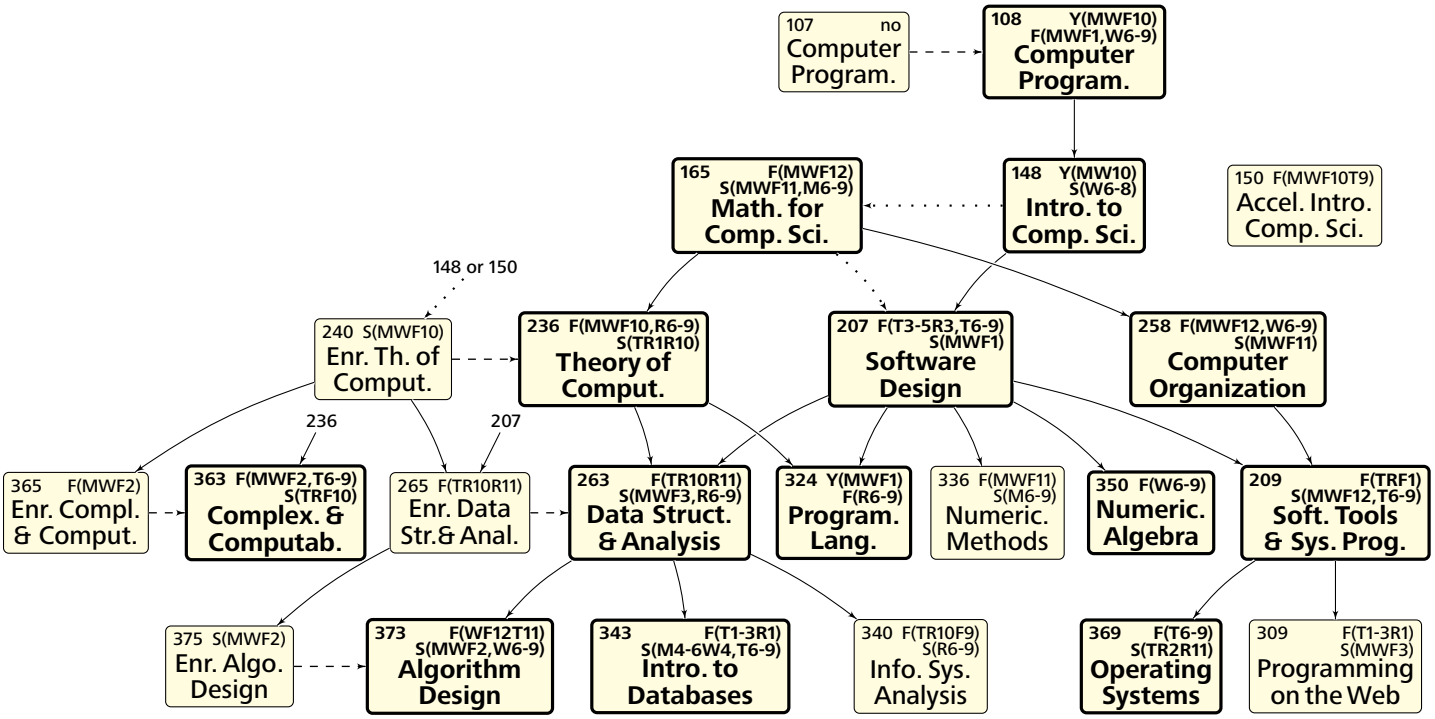
Computer Science
Prerequisites and Timetable



- A course designation xxx abbreviates CSC-xxxH1.
- A solid arrow ⟶ indicates a prerequisite, a dotted arrow ⋯➤ indicates a corequisite (to be taken before or concurrently), and a dashed arrow - - -➤ indicates a course that is an alternative to the target course. High-school, MAT, STA, and indirect prerequisites are not shown on the chart; consult the course calendar.
- Basic or core courses are in **bold** boxes; other courses (i.e., alternatives, options or prerequisites) are in light boxes. Click in any course box to see its calendar description.
- Timetabling abbreviations: F=fall, S=winter, Y=fall and winter; M, T, W, R, F=Mon, Tue, Wed, Thur, Fri, resp.; no=not offered.
- Students with programming experience need not take 107/108. In some programs, 336 may be taken instead of 350.
